b2g Net Zero Pledge - Sultanate of Oman

Thanks and appreciation to

who has joined the b2g Net Zero Pledge initiative committing to support the Sultanate of Oman's Orderly Transition to Net Zero by 2050, in alignment with Oman Vision 2040.

PLEDGE
Supporting Oman Net Zero 2050

Net Zero Action

- Measure
- Reduce
- Build
- Partner
- Quantify

Pledge ID

Issued by Business Gateways International (BGI)

The b2g Net Zero Pledge is entirely voluntary. The certificate is issued only as an acknowledgement of commitment and does not provide any regulatory, commercial, procurement, certification, or financial benefits. It should not be considered proof of compliance, ESG performance, or carbon neutrality.
